In my May 20, 2014 e-mail (below), I estimated that EPA's costs for responding to this FOIA request would be approximately \$1000 and by e-mail on May 21, 2014 (also below), you agreed to pay the costs of responding to this FOIA request. In tallying actual costs of responding to this FOIA, I see that EPA's costs are now \$2100, due to the larger than expected number of documents that had to be reviewed for responsiveness. Please confirm that you will pay these costs.

Thank you, Ms. Yeh. This email confirms that the CPG will pay for the costs of responding to FOIA request no.: EPA-R2-2014-006476.

You also requested clarification for the following items in this this FOIA request:

#4) "any other person purporting to be a representative of the community" - Anyone who is a member of the CAG, participates in CAG meetings, is a member of a non-governmental organization active with respect to the LPRSA, or an elected official.

#5) "Any petitions available for signature during the Hearing" - This is the exact language of the request. Please clarify if there is a question.

Thanks,

Rob

Subject: FOIA Request #EPA-R2-2014-006476

This is to confirm our phone conversation just now about your Freedom of Information Act (FOIA) request #EPA-R2-2014-006476.

We estimate that the cost of responding to this FOIA request will be approximately \$1000. I will wait until you agree to pay costs up to this amount before responding to the request. You will receive bills for the actual amounts EPA spends in responding to the request after we have responded. If costs exceed those estimated, I will call you again with a new estimate and ask for your agreement to any new limits.

Also, I will be sending you responses to the requests in installments in the future. We estimate that it may take until the end of September 2014 to respond to this FOIA request. Should you wish to modify the request so that it can be processed within a shorter time frame, please do so through FOIAOnline.

Finally, I asked for clarification on the following 2 items in the request:

#4) Please clarify what “any other person purporting to be a representative of the community” means.

#5) Please confirm whether you meant “Any petitions available for signature during the Hearing.”
